EDUCATION

Nehru Institute of Engineering and Technology, Tamil Nadu
Bachelor of Technology in Information Technology (Honours)

Sept 2023 - May 2027
CGPA-8.95

EXPERIENCE

M8IT Solutions

Feb 2026 - May 2026

Software Development Engineer Intern

Coimbatore, Tamil Nadu

- Worked as a **Software Development Engineer Intern** in a **full-stack team**, responsible for developing **scalable web applications**, implementing **CRUD operations**, and enhancing user experience.
- Designed, built, and integrated **RESTful APIs** to enable seamless **frontend-backend communication** and improved overall system efficiency through debugging and real-world application development.
- **Tech Stack:** MongoDB, Express.js, React.js, Node.js, Bootstrap

EduSkills Foundation

Sep 2024 - Nov 2024

Frontend Developer Intern

Remote

- Developed **responsive and user-friendly web interfaces** using HTML, CSS, JavaScript, React.js, and Bootstrap.
- Built **reusable UI components** and implemented **modern frontend design practices** to improve user experience and **website performance**, improved **page responsiveness**, and ensured **cross-browser compatibility**.
- **Tech Stack:** HTML, CSS, JavaScript, React.js, Bootstrap

PROJECTS

Laundry Service Application | React.js, Node.js, Express.js, MongoDB, Bootstrap

- Full-stack web application for managing **laundry orders** and **service requests**.
- Implemented secure **user authentication**, **order management system**, and **RESTful APIs** for smooth backend communication.
- Designed a **responsive and interactive UI** for better user experience across all devices.
- **End Goal** - To simplify laundry service management and provide users an easy way to place and manage orders.

Instagram Clone | HTML, CSS, React.js, Bootstrap

- Front-end social media clone replicating Instagram features such as **feed, posts, likes, comments, and profile pages**.
- Built using **React.js component-based architecture** for reusable and maintainable UI structure.
- **End Goal** - To understand real-world social media UI structure and improve frontend development skills.

TECHNICAL SKILLS

Languages: C, Java, JavaScript, SQL

Technologies/Frameworks: React.js, Node.js, Express.js, Bootstrap

Tools/Databases: Postman, Git, GitHub, VS Code, MySQL, MongoDB

COURSE WORK

Data Structures, Analysis and Design of Algorithms, Object Oriented Programming, Operating Systems, DBMS

ACHIEVEMENTS AND AWARDS

- Presented project in **Smart India Hackathon Internal Round 2025**, competing among top teams at institutional level.
- Completed **NPTEL Certification in Programming in Java (IIT Kharagpur)**, strengthening core programming and problem-solving skills.
- Consistently secured **2nd Rank in Academics** across semesters, reflecting strong academic performance.
- Certified in **Front-End Web Development** by **Coursera (IBM)**, gaining practical knowledge in modern web technologies and best practices.
- Built multiple **full-stack MERN applications**, demonstrating real-world development and deployment experience.
- Participated in coding contests and technical events, improving analytical thinking and problem-solving abilities.
- Secured **2nd Prize** in a **National Level Technical Symposium**, competing among participants from multiple institutions.
